

The Valla 50E pick & carry crane delivers sustainable fume-free lifting with a maximum safe working load of 5t. It is ideal for clean environments, such as precision engineering and aviation maintenance.

As a low-noise compact crane it is also the perfect choice where noise must be suppressed for environmental or safety issues. Fitted with non-marking tyres (optional), the Valla 50E is capable of outdoors and indoors projects.

**5,000kg** Max Lifting Capacity

CPCS - A66 Compact Crane (B)
