

The Valla V80R pick & carry crane is one of our new generation mini cranes that are operated by wireless remote control. This gives the operator complete freedom to choose the optimum location for controlling a lift, which improves teamwork, safety and productivity.

It has a maximum safe working load of 8t, a maximum working height of 9.0m (2.5t) and a maximum working radius of 5.5m (1.9t). As an electric battery crane, the Valla V80R also provides sustainable zero-emissions and fume-free lifting.
