

18E

The Valla 18E self-propelled pick & carry crane is the most compact electric crane in the Valla range. It has a maximum safe working load of 1.8t, yet it weights just 2,180kg and is just 950mm wide.

The tiller-controlled compact crane also has a particularly short wheelbase making it a top performer in very restricted space. It has a maximum tip height of 4.3m and a maximum radius of 3m.

1,800kg Max Lifting Capacity

CPCS - A66 Compact Crane (B)

Technical specification (basic machine)

Max Lifting Capacity	1,800kg
Max Working Height	4.3m
Max Working Radius	3.0m
Capacity @ Max Height	600kg
Capacity @ Max Radius	300kg
Power Source	Batteries
