After Sales Service

Supporting our customers so they always get the best service and operational performance from their pick & carry cranes.

To achieve this, our after-sales service is second to none – with fast and friendly expert technical advice always available.

Spare Parts

Rapid delivery on OEM spares

Service

A highly efficient maintenance and regulatory inspection (thorough examination) service, and full warranty back-up.

Operator Training

Hird have trained thousands of operators via our dedicated CPCS A66 (B) Compact Crane courses. Training can be undertaken at any of our dedicated training facilities across the UK. Whether a novice or an experienced operator our courses are designed to suit each individual needs.

Training not only helps your business fulfil its health and safety requirements it also means your staff are using Valla Cranes safely and confidently, improving productivity, reducing accidents, and enhancing your company reputation.
